LOCAL METAL TRADES STRIKE

Metal trades employees at the Petroleum Refinery and the Petrochemical Company in Altona stopped work at 12.45 p.m. on October 15. There is no indication when they will return.

The cause of the stoppage is claimed to be because of the failure of the oil industry and employees to agree on certain clauses in the new oil award.

In 1961 a two year agreement was agreed to by the oil industry and employees. This was not countersigned by the Arbitration Court but was abided to by both parties. This expired early in 1963 but there was a proviso that the agreement would continue until a further one was signed.

Various meetings have been held to discuss the matter. However, the men claim that after 10 months of effort to finalise a new agreement they have got nowhere.

On Wednesday, August 28 the proposed award was rejected by a majority vote in Victoria. The main objection was to a clause refusing the employees the right to stop

work (all disputes to go through the Arbitration Court).

The refinery claims that the men's action was premature because a final meeting between the oil industry and Federal Officers of the union had been arranged for October 24, the earliest date on which the unions could convene. An earlier meeting which was scheduled for Friday, October 11, was postponed while union officials took steps to lift work bans which had been in force at the Geelong Refinery for seven weeks.

Today employees at the Shell Refinery will meet to consider their action in the matter.

OVERWEIGHT IN TRUCK

John Dennis Ryan, of Winifred Street, Pascoe Vale South, was fined £5 with an additional penalty of £20 with 10/- costs for carrying an overweight load on his vehicle.

An inspector of the Transport Board said he saw Ryan driving a truck in Millers Road, Altona, on June 11. It was loaded with salamander, and was travelling from Brooklyn to Altona. It was 1 ton 6 cwt. in excess.

THIEVES CAUGHT

Following recent robberies at the factory of Altona Dry Cleaners in Pier Street, two alleged offenders have been apprehended and will be dealt with by the Courts.

NOT REGISTERED AS A COMMERCIAL

Gavril Miltenoff, of The Avenue, Spotswood, was fined £2 with 10/1 costs for carrying goods in a vehicle not registered as commercial when stopped at Seaholme on May 7.

Miltenoff said he was only carrying some steel reinforcing mesh in a trailer attached to his sedan on this occasion.

New Library Building

Present indications are that a building to house the Altona Library will be erected in Queen Street, nearly opposite the Homestead Building.

Some time ago an officer of the Free Library Services Board inspected the shire office building in Queen Street and reported it unsuitable for library purposes. It was considered too small, lighting inadequate and fittings were in wrong positions.

Architect, Mr. Bryan Glynn, placed his views before a meeting of the Parks and Fore-shore Committee. He detailed extensive building alterations which would be necessary and which he considered would be as costly as a new building.

At a meeting of the council, support in principle was given to the proposal to erect a building on the site of the old council depot. This was moved by Crs. Giniifer and Hearn.

The Free Library Services

Board has completed a report on the conveniences of library facilities in Altona. This sets out that a librarian, an assistant and a clerk could be engaged without delay to utilise say the council chamber or portion of the Homestead as a place to gear up for library service whilst the library is being built.

Already provision for such cost has been placed on the Estimates for this year and the library would then open for service to ratepayers in the year 1963-64.

No Danger In Refinery Fire

With well-practised precision, the duty fire team at the Altona Refinery went into action on Thursday night, October 10, to fight a minor blaze in the crude farm, half a mile from the refinery itself.

The general manager of Petroleum Refineries (Australia) Pty. Ltd., Mr. Peter S. Parking, said the fire broke out in a concrete pump compound isolated from the crude oil storage tanks.

Within eight minutes the fire fighting team was on the site. The fire was contained within the compound at all times and was completely extinguished in about 45 mins. Units of the Metropolitan Fire Brigade assisted.

There had been no possibility of the fire spreading, Mr. Parkin said, and the refinery itself had not been in

danger. Damage was estimated at £1000 and was confined to fixed pumping equipment at the seat of the fire.

Mr. Parkin said the fire was handled like a routine exercise. Bigger fires had been fought in training, he added. It is believed last Thursday's fire was started by a spark from a welding torch.

PRESENTATION OF YOUTH AWARDS

A large number of parents and friends attended the annual art and craft exhibition and display of youth activities at the Altona Youth Club Hall last Friday night.

The club president, Mr. J. J. Cullen, welcomed the shire president, Cr. G. den Dulk and his wife, Cr. S. McIntosh, parents and visitors. He mentioned it is proposed in the very near future to provide more facilities for art and craft work. He thanked the ladies auxiliary for their assistance and for the cheque for £100 which they handed over for general funds.

Cr. den Dulk paid tribute to Youth Organisations generally and complemented the club on their achievements in Altona. He urged parents to give the club more support.

Cr. den Dulk and Cr. McIntosh presented awards.

The top award of the Victorian Association of Youth Clubs, the Keystone Award for best club member and leader was presented to Miss Irene Williams.

Tom Barnes won the award for best leader in gymnastics for intermediate boys.

Medals were presented to Roger Penfold, H. van der Poel, Paul Rafferty, John Prendergast, M. Rayner, N. Healy, W. Freeman, Frances Davey, Robin Webb, Val Clarke, Frances Brown, Gayle Bruce and Lesley Hyde.

The committee presented gifts to Irene Williams, Fay Gathercole, Gayle Bruce and J. Shields.

Flowers were presented to Marching Girls Chaperones—Mesdames Brown, Paterson, Smith and Knucky and the president of the social committee, Mrs. Sher-riff.

During the evening two games of basketball were played. The boys defeated the Footscray-Yarraville Club in one match and the girls defeated Werribee. Best players were Robert Johnstone and Carmel Molloy, both of Altona.

PEDESTRIAN CROSSING

A pedestrian crossing is to be erected on the Esplanade in the vicinity of Pier Street, Altona.

The shire engineer, Mr. R. C. Simmons, considers the greatest concentration of traffic across the Esplanade

£5,000 Goes To Waste

Each week in Altona approximately 12 tons of waste paper, in the form of newspapers and magazines, is destroyed or thrown out. This represents in any one year a loss of £5000 to the community.

Local organisations have at various times conducted drives for the collection of waste paper but generally speaking, they only get co-operation from friends and acquaintances within their own sphere of activity.

In an effort to raise funds for its community work the Apex Club of Altona is getting together the names and addresses of 600 householders who would like to help. All

that is required is that the householders supply their name and address, and be willing to save their newspapers and magazines for periods of three months.

The papers will be picked up by the Apex Club at the end of each period.

Anybody willing to help is invited to ring Eric Symons at 398-1513 or 62-8771, Ext. 280, or write to the Apex Club of Altona, P.O. Box 24 Altona.

Shot Ducks Out of Season

Anagnosiou Antonis, of Morris Street, South Melbourne, was charged that on August 24, at Cherry Swamp, Altona, he did wilfully kill certain native game, one wood-duck, during close season. He pleaded guilty.

An officer from the Fisheries and Wild Life Department said he saw defendant carrying a shotgun and then fire at a wood-duck, hitting it. He told him who he was and that it was close season for these birds. He seized the gun and bird.

Antonis told the Court through an interpreter that he had only been in the country a fortnight and knew nothing about regulations. He had borrowed the gun from his brother for some shooting. He said he was worried about his brother's gun being returned, but the prosecutor said forfeiture was automatic on conviction.

Mr. P. J. O'Connor, S.M., said in the circumstances he would give the defendant a chance to escape conviction and adjourned further hearing until January, 1964, on Antonis entering a recognizance of £5 to be of good behaviour until then. He ordered Antonis to pay £4/4/- costs.

Dog Law Being Enforced

Recently the Minister for Local Government, the Hon. M. V. Porter, said that some municipal councils were not enforcing the law for the control of Alsatian dogs in public.

The shire secretary, Mr. J. W. Waters, points out that Altona Council enforces the dog law and has a permanent ranger continually patrolling the shire and he gives particular attention to shopping areas and school grounds. During the month of October, 14 dogs have already been seized and sent to the

Lost Dog's Home. Three were Alsations. Altona Star subscribers are reminded that the Dog Act provides that ALL dogs—

Must, unless they are on their owner's premises, wear a collar and registration tag. Must be effectively secured at night by being enclosed or chained on the owner's premises, or under control by leash.

Are banned from shopping areas, bathing beaches, school grounds and railway stations.

The only exemptions are for dogs working livestock and seeing-eye dogs. Special provisions apply to greyhounds.

What Future has the Magazine?

No immediate decisions or actions can be expected relating to the use of the land comprising this reserve. This was made clear this week by a departmental officer of the Lands Department.

This crown land was originally leased by the Explosives Department. Following the moving of explosives storage to Point Wilson the Explosives Department has retained only 40 acres of the reserve for their own use.

This leaves approximately 250 acres of land, much of which is swamp land.

In June last year the Ports and Harbours Branch are pled to the Lands Department for 20 acres in the vicinity of the pier. This was in accord with a long term policy of acquiring strategic areas in various parts of the fore-shore for future use if and when required. An officer of the Public Works Department said the Ports and Harbours branch have no specific plans for its use.

It is understood there were moves by yachting interests to obtain portion of this low-lying land which they proposed excavating to form a yacht basin. They did not carry on with this proposal.

Obviously drainage on a large scale would be necessary before any practical use could be made of the area.

Nothing definite has been decided but the Board of Works has visualised major drainage work in the future.

Junior Football Club Presentation Night

The annual presentation night of the Altona Junior Football Club was held at the Youth Hall last Saturday night.

Among the guests were the shire president, Cr. G. den Dulk, Mrs. den Dulk and Cr. A. W. Bond.

Both councillors made the presentations to the footballers and committee members. Before the presentations Cr. den Dulk said he expected this junior football team to be the nucleus of a league team in four or five years time.

The trophy for the best and fairest player for the year was won by Phillip McLean. Details of other trophies are on Page 2.

The annual picnic will be held on Sunday, October 27 to Wandin East picnic ground and hall.

Buses will leave Maidstone Street and the Altona Post Office at 9 a.m.

The hamper was won by Mr. R. Williams, C/- Mr. Bot-

MORE GIRLS NEEDED FOR MARCHING TEAMS

Girls are invited to attend training sessions at the Altona Primary School, Blyth Street, on Saturdays at 2 p.m. or at the Youth Hall on Tuesdays at 7 p.m.

Further information may be obtained from the club secretary, Mr. T. McGarry, 55 David Street, or Mr. A. Brown, 21 Backen Grove, Altona.

EDITORIAL

The Sand Trap

The passing of Mr. O. Forrester was a loss to Altona. He was a worthy citizen. His claims for the sand trap were such that in his most recent letter to the Shire Council he stated this was the only means by which Altona beach could be saved. He was a great advocate. He can no longer speak for himself.

Under the circumstances we suggest the Council take an objective look at the scheme. Now is the time, before Mr. Forrester's ideas are forgotten, for a final decision. It could be important for Altona.

In theory the sand trap is simple. Given sufficient turbulence it was claimed the sand impregnated water would leave in the sand trap a cumulative residue of sand.

The sand trap at Maidstone Street was placed in position some time ago. It may be entitled to no more than the Scot verdict "non proven." Mr. Forrester spoke of the relative lack of turbulence in the area. He however claimed positive results sufficient at least to justify the placing of another trap near the end of Millers Road (in an area of greater turbulence). Later a trap covering the whole beach area would be required.

1. Has the theory of the sand trap been proved?
2. Has the sand trap near Maidstone Street sufficiently demonstrated the success of the theory?
3. Is there justification for the placing of a further sand trap near Millers Road?
4. Has any positive benefit (even in a negative aspect) been derived from the demonstration of the sand trap?

Opinions are not decisive. Only answers derived from an examination of the known facts (interpreted where necessary by those qualified to do so) can meet the situation.

This paper has only spoken objectively on the sand trap. It feels however that it is in the interests of Altona and Mr. Forrester's relatives and friends that the matter be clarified.

This may mean the abandonment, continuation or modification of the sand trap scheme. Let it be so.

YOUTH CLUB VISITORS

Boys and girls from youth clubs in Wentworth and Dareton, NSW, and Mildura were entertained during last weekend by Altona Youth Club members.

The visitors were taken to the Window on Youth at the Exhibition Building and Luna Park on the Saturday. Sunday started off with church services, then a trip to Geelong. In the afternoon they saw the sights of Melbourne and toured Williamstown, returning to the Youth Hall at 4.30 p.m. for soft drinks and ice cream.

They left to return to Mildura at 8 p.m.

The club wishes to thank parents of Altona children for their extreme kindness to the visitors.

HAM FOR REFINERY STAFF

A 1½ lb. tin of ham valued at about £1 was presented to each of the 412 employees of the Altona Refinery on Monday October 14.

The pre-Christmas token was made by Petroleum Refineries (Australia) Pty. Ltd. to mark the completion of 300 days free from lost-time accidents.

Mr. Peter S. Parkin, general manager, said that employees and management alike were proud of their achievement and hoped to exceed their previous record of 552 accident-free days. Few industrial firms could claim such a fine safety record, he said.

Mr. Parkin added that it was made possible by strict safety measures and training of the employees in safety, as well as close attention to operating procedures and maintenance, and frequent discussions on safety matters.

OUTBACK TOUR

Mr. and Mrs. F. Smith and grandson, Jeff Smith, of Upton Street, Altona, have just returned from a four-and-a-half months holiday touring through the Northern Territory and Western Australia.

They drove from Adelaide to Darwin, travelled right down the west coast from Darwin, through Perth to Albany—the southern most tip of Western Australia—across the Nullabor Plain to Adelaide and then home to Melbourne.

On an earlier tour Mr. and Mrs. Smith travelled extensively through the Northern Territory but this was their first time down the west coast.

Their first stop was at Coober Pedy to try their hands at opal gouging. They were able to bring home some opal chips.

At Alice Springs they joined a conducted tour of Ayers Rock, climbing to the very top to take in the view. Then on to Darwin to start the drive down the coast.

On the way they shot a couple of crocodiles and collected many beautiful shells—one of Mr. Smith's hobbies is shells.

A visit to the Ord River Scheme was on the itinerary and they arrived there a week before the official opening of the reservoir. Here they saw cotton growing.

At Broome a fossicker showed them how to seek out natural stones. They found some good specimens including zebra stones which they will have polished.

It was near Broome that they watched a corroboree, but Mrs. Smith did not see all of it—during one part of the ceremony women were banned.

Souvenirs include aborigine throwing spears, boomerangs, and wood carvings in this area.

They had rather an alarming experience in Broome. Starting up the car one morning, all that could be heard was a dreadful clatter. On inspecting the engine it was discovered one of the semi-wild cats around Broome had spent the night asleep on the engine. Result—one cat less.

After Broome came the worst section of their trip—400 miles through the Pardoos. A very desolate area.

They stayed at Carnarvon where the large crayfish industry is centred. From here crayfish tails are sent to the USA.

Down to Perth to visit friends and on to Albany where they watched whales being towed into the whaling station. Mrs. Smith considers this one of the most beautiful districts she has visited.

Crossing the Nullabor Plain was not the endurance trip of the past.

Petrol was available every 100 miles or so. Motels &c., are springing up along the route. Also the scenery was not as desolate as expected, there was vegetation such as stunted trees and the like in sight the whole way.

However, the travellers are convinced there is no place like Victoria and are happy to be back in Altona again. Jeff is back at Altona Primary School doing his best to settle down to school life again.

Successful Fashion Parade

The wet weather did not dampen the enthusiasm and stop the ladies from attending the Fashion Parade at Altona Primary School last Friday night.

Nearly 100 mothers and teenagers went along to watch six members of the school Mothers' Club model clothes by courtesy of Jan Peel Fashions, of Swanston Street, Melbourne.

They modelled day and evening wear. There were suits frocks and ensembles with reversible coats—mainly in a linen-like material which is the fashion for this summer. The featured colours were the new melon and aqua.

Evening dresses were in both the short length and the long length which is gradually coming back into vogue. Cottons, satins and chiffons were used for these frocks.

The amateur models who had no opportunity to practice modelling or try on the clothes beforehand overcame their initial nervousness and acquitted themselves well. They were congratulated by the comperes for the excellent manner in which they paraded the fashions.

To round off the evening members of the Mothers' Club provided a very attractive supper.

The parade was arranged through Metropolitan Fashion Promotions.

CARD NIGHT

The monthly card evening at the Altona High School will be held on Friday, October 25, at 8 p.m.

Prizes and supper will be provided. Proceeds are for the Parents and Citizens Association.

ELDERLY CITIZENS' CLUB NEWS

Thirty-five of our members went to Healesville Guest House for the weekend and had a very nice time. A special thanks to Mrs. Woodyard who gave everyone a good time.

The general meeting will be held on October 23 at 2 p.m. all members please come along.

DANCE

The next dance will be held on October 19, at 8 p.m.

CLUB FOR YOUNG WIVES IN ALTONA NORTH

Young wives and mothers in the Altona North area who would like to find interests and friendships outside the home, are to be given the chance to form a club of their own.

The secretary of the YWCA Young Wives Clubs (Miss Dorothy Arland) said that a club would be formed in Altona North if sufficient young women are interested.

The YMCA has nine similar clubs around Melbourne—at Bentleigh, Box Hill, Chadstone, Collingwood, Essendon, Glenroy, Hawthorn, Mitcham and Preston. They have an average membership of about 30, and members meet either weekly or fortnightly. Programs include demonstrations, talks, discussions, fashion parades and social events.

One of the big advantages of these clubs is that a baby sitter is provided to look after the children so that the mothers are free to enjoy the afternoon's programs.

The YMCA feels that this type of club is meeting a big need, as mothers whose children are still too young for school are not catered for by either youth clubs or school mothers' clubs.

It is proposed to hold the first meeting in the Youth Recreation Centre, Marion Street, Altona North, on October 31, at 1.30 p.m. and anyone interested is invited to come along.

Afternoon tea will be served.

OUR LADY'S YOUTH CENTRE, SUNSHINE

Our Lady's Youth Centre, Sunshine, is again holding its annual Charity Golf Day at Medway Golf Club, Omar Street, Maidstone, on Tuesday, October 29.

Last Year, those who participated in this day made it a great success and thoroughly enjoyed themselves.

The prizes for the day are valued at £8/8/- each, and are particularly good.

Lunch will be served and there will be entertainment and refreshments available at the club house in the late afternoon and evening.

Non-golfers as well as golfers will be catered for.

The program for the day includes a bogey handicap over 18 holes, a long drive competition and a putting event.

The secretary would be pleased to receive all entries by October 22. Forward them to the secretary, Mr. P. Cannon, 109 Hampshire Road, Sunshine. Phone 311-0401.

Proceeds of the day will help the current appeal to pay for extensions to the youth centre.

ALTONA FOOTBALL CLUB NOTES

Tickets are available now for the presentation ball to be held on October 26, in the Youth Club Hall, Civic Pde., Altona. They are available at Ron Hogan's butcher shop in Railway Street.

ALTONA HOSPITAL

The executive officers of the hospital were re-elected for a further term. They are—

President: Mr. I. L. Herbert; Honorary Secretary: Mrs. Edith Roach; Honorary Treasurer: Mr. C. V. McCready; Vice-Presidents: Dr. J. Leyden, Cr. W. G. Cresser.

A proposal has been made to form a Women's Auxiliary associated with the Altona Hospital. These auxiliaries which are run as entirely separate organisations have given great assistance to other district hospitals.

There is a need for one in Altona. Mrs. H. Weaver has been asked to aid in its formation. Her phone number is 65-8693. Any ladies interested are asked to contact Mrs. Weaver with a view to further action.

FASHION PARADE

A fashion parade of spring and summer fashions will be held on October 25 in aid of the Altona Presbyterian Sunday School.

The parade will commence at 8 p.m. at Margaret Webb's Salon, 101 Pier Street, Altona.

Admission is 3/- and supper will be provided.

ALTONA BOWLING CLUB NEWS

Last Saturday 60 members of the Altona Bowling Club attended one of the most enjoyable evenings they have had at the club house.

A pleasing change was the music provided by organist Alan Johnston. It was enjoyed as much by the non-dancers as the dancers. Mr. Johnstone brought his own organ along with him.

Ken Andress and Len Smith contributed to the success of the evening by entertaining members with their singing.

At the social game of bowls last Thursday Mrs. Win Neal skipped the winning rink for the second week in succession. Playing with her this week were Mesdames Eileen Thomas, Mabel Harris and Myra Buck.

During this week Mrs. Isla Probert and her daughter, Mrs. Bev Hancock, of Elwood, are holidaying together in Sydney.

LAMBERT-HENSHALL

The engagement is announced of Rosemary, younger daughter of Mr. and Mrs. A. V. Lambert, of Netherby, South Australia, to Alan, elder son of Mr. and Mrs. R. W. Henshall, of Altona.

Scallop Fishery in Port Phillip Bay

A new scallop fishery has started in Port
Phillip Bay. The Assistant Chief Secretary, Mr.
Hamer, said today that several boats had come re-
cently from Tasmania, where the scallop fishery is
well established in the D'Entrecasteaux Channel,
and were obtaining highly payable catches in Port
Phillip.

Mr. Hamer said that a
survey of the scallop beds
had been carried out for
several years past by the
Fisheries and Wildlife De-
partment using diving and
dredging methods and it had
been established that scope
existed for a good regular
harvest.

Scallops are dredged from
the bottom with special gear,
and ordinary fishing grounds
are not adversely affected.
Mr. Hamer said that some
previous attempts had been
made to fish scallops in the
bay, but the new undertak-
ing by experienced Tasman-
ian fishermen, with proper
equipment, had shown the
true potential of the fishery.

The Victorian scallops are
comparable in every way
with the Tasmanian variety,
and most of the present
catch is being snap-frozen
for export. Mr. Hamer said
that the Government hoped
that Victorian fishermen
would be encouraged to take
part in the harvest, and the
Fisheries and Wildlife De-
partment would co-operate fully
with the local fishermen as to
the best methods and
gear to employ.

WILLIAMSTOWN LITTLE THEATRE

After successfully
winning second place in
the Victorian Drama
League Festivals held last
month, the Williamstown
Little Theatre had another
winner in their latest
presentation of "The Bal-
lad of Angel's Alley"—
an original Australian
musical by Jeff Under-
hill and Bruce George.

It tells the story of the
olden day gangs—the Bloods
and Pushes of Angel's Alley,
a street somewhere in Mel-
bourne. The roughest, and
toughest and dirtiest mob
this side of the docks—but
perhaps not quite so tough
after all.

Gwladys Winfield who will
be remembered for her hil-
arious comedy role as the
"drunken spinster" in "See
How They Run" and many
other character parts plays
the part of one of the 'Molls'
and adds singing and danc-
ing to her many accomplish-
ments in this gay and colour-
ful show.

The season commences on
October 28 through to Sat-
urday, November 2 at the
Mechanics Institute, Williams-
town.

We mean it when we say
book early to avoid disap-
pointment—398-1284 or Ed
Marr's electrical shop Fergu-
son Street, Williamstown.

PEDAL CLUB NEWS

Last Sunday the Altona
Pedal Club went to Gee-
long West for the Rally.

Unfortunately the club
or any of its riders did
not win a trophy, but all
members tried hard.

Best riders were Robert
Culbert and Gail Stiles.

Next Sunday all members
are asked to be at 77 Maid-
stone Street with a cut
lunch and 5/- for a Mystery
Picnic at 9 a.m.

SILVER PEDAL

Silver Pedal results for
this week are 117, 31 and
136.

LIFESAVING CLUB NOTES

Last Wednesday night,
October 9, the Altona
Life Saving Club was re-
presented by 10 senior
members in the Victorian
In-Door Championships.

Although the team did not
get a place in the champion-
ships many of the judges
commented on how well the
team performed on its first
attempt at these champion-
ships. They also said that
with the experience the team
gained this year they will be
a hard team to beat in the
championships next year.

A.L.P. — SUNSHINE BRANCH

Mr. G. R. Crick, MLA, gave an interesting talk
to Australian Labor Party members at Sunshine
Town Hall last Friday evening.

Having recently inspected the Ord River pro-
ject, comprising conservation of water and the ulti-
mate irrigation of 100,000 acres of territory in
North-Western Australia, he said that it was in the
interest of Australia for money to be spent in the
area.

The first part of the scheme,
he said, was now constructed,
a diversion dam to irrigate
30,000 acres. This dam was
three miles long with a stor-
age volume of 80,000 acre
feet through which water dis-
charged at a rate of one
million cubic feet per second
in times of flood.

With the aid of colour
slides, he described the tech-
nical details of the dam it-
self and some of the places
he visited.

So far, he said, the Com-
monwealth Government had
provided £5,000,000 to sub-
sidise the project, but the
farmer going into the area
would need to be well-en-
dowed with initial finance of
his own. Holdings of 600
acres were allocated at a cost
of £1 per acre, a portion of
which was prepared and im-
proved at a cost of an extra
£20 per acre. Equipment, how-
ever, would cost the farmer
about £20,000. Some assist-
ance to borrow money was
provided by the Western Aus-
tralian State Government, re-
payable over 25 years.

'Shadow of the Boomerang'

TO BE SCREENED IN ALTONA

Dramatically set against a background of life
on an outback Australian cattle station, "Shadow of
the Boomerang" brings together a talented cast of
American and Australian actors.

This film, which is suitable for general exhibi-
tion, will be screened by the Altona Ministers' Fra-
ternal at the Methodist Church, Seves Street, Altona,
at 7.45 p.m. on Saturday, October 26.

Made for and by the Billy
Graham Evangelistic team,
is a full-length feature filmed
"Shadow of the Boomerang"
in New South Wales in
colour. It stars lovely Georgia
Lee, popular singing person-
ality of the USA, and TV
identity Dick Jones. They
are backed up by Australians
Marcia Hathaway, Jimmy
Little, Keith Buckley and Ken
Fraser.

Georgia Lee, who sings two
songs in the film, is helped
on the musical side by abor-
igine ballad singer Jimmy
Little, well known to country
and city audiences alike and
making his film debut.

The story of "Shadow of
the Boomerang" centres
around a brother and sister
team who come from Califor-
nia to manage a NSW cattle
station owned by their father.
A conflict of personalities de-
velops immediately upon ar-
rival between the American
owner and the head stock boy,
played by aborigine Jimmy
Little. It is the time of the
Billy Graham Crusades in
Australia and the Christian
message runs throughout the
story in a way that will help
many to see the relevance of
Christianity in every day life.

Exciting drama, action and
music blend harmoniously to-
gether in this most enter-
taining film, enhanced as it is
by colourful scenes of the local
countryside where it was ac-
tually filmed.

"Shadow of the Boomerang"
also features Billy Graham
himself as he spoke to thou-
sands of people who flocked to
hear him both at the Mel-
bourne Cricket Ground and
Sydney Show Ground as well
as the unseen audiences who
hear him by means of land-
line radio.

Georgia Lee gives an out-
standing performance as she
blends a sensitive acting por-
trayal with her singing style
in the role of an American
girl plunged into the strange
environment of Australia's
vast interior.

When released in the USA
and England, critics gave
"Shadow of the Boomerang"
high praise and Australia's
own Womens Weekly de-
scribed it as the "best religious
dramatic film ever made."

STATE BANK TO GIVE 100 BURSARIES

The State Savings Bank
of Victoria will grant 100
bursaries valued at £40
each to secondary school
pupils who have accounts
with the bank, to enable
them to further their
studies next year.

The bank will also
grant extensions to some
of this year's bursars.

The money can be used for
school fees, books, equipment
or maintenance of the stu-
dent.

To be eligible students who
are under 16½ years on Janu-
ary 1, 1964, must have passed
at least six approved sub-
jects for intermediate certi-
ficate or, if under 17½ years,
must have qualified for a
leaving certificate or its
equivalent.

Mr. W. L. Moss, chairman
of the bursary trustees, said
that applications must be
lodged during the month of
November.

Forms for this purpose and
full particulars of conditions
are obtainable from the se-
cretary to the bursary trustees
at the head office of the bank
on the corner of Elizabeth
Street and Bourke Street.

The financial position of
the applicant's family is con-
sidered when the students
are chosen. There is no obli-
gation on bursars to seek
employment with the bank.

GUIDES AND BROWNIES

The Local Association
wishes to express their
gratitude to the Altona
Apex Club for their gen-
erous offer to take over
the building of the Guide
Hall in Civic Parade.

This is one more pro-
ject to add to their long
list of noticable ventures
for the betterment of Al-
tona.

The Guide Hall in Altona
was started by a few en-
thusiastic fathers with Mr.
Brooks in charge, gradually
a few more local citizens lent
a hand and lately Mr. Knapp
and Mr. C. Keeshan have
been mainly responsible for
the framework. All these men
the Local Association of
Guides and Brownies wish
to thank most sincerely.

This does mean an inten-
sified effort to raise money
if we are to keep pace with
the erection of the hall.

The immediate money
raising ventures include a
Christmas Stall in Pier St.
on November 30. Any sale-
able goods would be very
welcome.

On November 2 a jumble
sale will be held at the
scout hall in Civic Parade,
any articles of clothing, toys,
books, white elephants will
be gratefully appreciated.

Below are listed the ad-
dresses of Mr. Brooks, 37
Davies Street and Mrs. Hut-
ton, Queen Street, Altona,
for storage points.

Collection can be arranged
at your convenience.

SWIMMING NIGHT FOR CLUB

The boys club at St.
Eanswythe's will be going
swimming this Friday
night, October 18.

They will be meeting at
6.30 p.m. instead of the
usual 7 p.m.

Some of their fathers will
be helping with transport,
and the boys are looking for-
ward to an enjoyable even-
ing at the City Baths.

Mr. Crick said he thought
that the State Government
was doing as much as it
could to help farmers but
that the development of the
whole project would be a
slow process.

Question time and general
discussion was followed by
refreshments provided by
the ladies of various branches.

Werribee Objects to Concrete Houses

Without advising the Shire Council the Victorian Housing Commission is erecting concrete houses in Werribee, Cr. Powell reported to fellow councillors at their last meeting.

He said, "These houses are not nice, can't be made nice, and it is not fair to buyers of brick veneer houses in the vicinity."

Cr. Powell went on to say he heard no mention of concrete houses when Mr. Petty, Commissioner of Public Works, outlined the housing scheme for Market Road, Werribee. Twelve months ago the Commission decided to erect 50 weatherboard homes which the council stopped. Now the Commission is erecting concrete houses which have given a lot of trouble in other areas and which will give trouble in Werribee.

Residents had purchased brick veneer houses with a set idea of the area in which they would be living.

Cr. Powell moved that the matter be taken up immediately with the Housing Commission to prevent any further erection of concrete houses.

Cr. Hudson said during discussions with the Chairman of the Housing Commission he had been assured Werribee would be a brick area.

He considered the Commission co-operated with the council when they objected to the weatherboard houses. They have built all brick houses with some fibro cement sheet houses but he did not want to see the erection of the same unsatisfactory concrete houses as have been built at Laverton. He seconded Cr. Powell's motion.

Cr. Smith could only remember concrete houses being mentioned once in his hearing but he thought they had been dropped because of unsatisfactory reports from Ballarat and other places where they had been erected.

The council readily agreed to the motion and immediate steps will be undertaken by the Shire President, Cr. A. Davis, and the secretary, Mr. Minns, to prevent further erection of these concrete houses.

LAVERTON PROGRESS DART CLUB NEWS
Results of matches played on Friday, October 11, are as follows—

TEAM 1
Showing their best form so far this season Team 1 lost by the odd game to Union Carbide. Neville Jessup was our highest scorer with 96.

TEAM 2
Had a good win over Williamstown Hostel to take them into third place in Division 2. Jerry Monk top scored with 112. Bob Gordon threw 102 and Harry Morton 100.

TEAM 3
Team 3 took on Division 3 leaders on their home ground and came home with the match points. Tommy Atkins won his singles match in 10 darts. Arthur Leigh top scored with 117 and captain Arch Shelsey threw 100.

THIS WEEK'S GAMES
TEAM 1
Home to Seaholme. This match will be played tonight (Thurs., Oct. 17), so let's see a big crowd to encourage the new boys.

TEAM 2
Home to Altona Council—this match is set down as an away match but through a previous change of venues it is being played on the Laverton home ground.

TEAM 3
Home to Bristol Hotel (2). Will all players ensure that they supply a plate at each home game.
The treasurer, Tommy Atkins, is holding tickets for the presentation dance to be held on Saturday, December 14, at St. Mary's Hall, Altona.
Price is £1 per head all inclusive and it is suggested you placed your order now and pay them off.

LAVERTON TENNIS CLUB NEWS

Laverton Tennis Club teams for Saturday, October 19, are as follows—

B1 v. Lara, at Laverton—

J. Jewell, C. Romeo, P. Jackson, M. Grinter, J. Roberts, E. Sard.

B2 v. St. Andrew's, at St. Andrews—

T. Sytema, J. Pyne, J. Sargent, F. Douglas, B. Soutar, B. Gillett.

C Grade to play at Laverton—

I. Russell, A. Giblen, G. Morrison, F. Mullett, J. Sewell, M. Freason, Reserves: G. West, S. Jzierski, E. Stobie, L. Stobie.

Last Saturday at the opening of the 1963-64 tennis season, three out of the four teams entered in the Werribee District Tennis Association won their games.

The grades entered consist of an A Reserve, B1, B2 and C Grade. The membership of the club is approximately 60, and any new members are welcome.

Every Sunday social tennis is played at the courts in Merton Street. Anyone who wishes to attend may do so.

Membership fees are £2 for adults and 15/- for school children.

Approx. 180 Scouters attended a bi-ennial Scouters conference at the Colac Show Grounds last weekend.

The subjects discussed were the recruiting of Scouters, education of the parent, parents co-operation and program planning for advancement training.

There were sight seeing tours conducted throughout the Colac area and the scouters visited butter factories, dairies and scenic reserves. A camp fire was held on the Saturday night. Two scouters and two senior scouts from Laverton group attended the conference and gained many new insights into the ways of scouting.

Mr. John Campbell, head quarters commissioner, gave opening speech at the conference and was supported by Mr. Woods, Hoadley County Commissioner.

A crazy whist card night will be held at the Scout Hall at 8 p.m. next Friday, October 18. Supper will be provided and everybody is welcome.

The annual fete for raising funds will be held in the Scout Hall on Saturday, November 9.

NEW MAIL DELIVERY

As from November 1 the PMG will give a house to house mail delivery to residents in Aviation, Cunningshams and a section of Robbs Road area in Werribee South.

Letters TO THE EDITOR

Dear Sir,

Reference is made to the behaviour of the school children whilst waiting for the school bus to transport them from Laverton to Altona.

The smaller children are in the habit of skylarking and playing games on the main street, without thought of the passing traffic, which, incidentally, is increasing every day.

For the second consecutive day I witnessed a near accident, so I believe it's time to draw the attention of the public, parents, senior students and the school authorities to this frolicsome group.

I trust that this short note may be read, absorbed and the appropriate action be taken to avoid a fatality.

—MALE DRIVER.
(Name supplied.)

Dear Sir,

The scheduled match between Laverton 2 and Werribee 1 was not played due to the abandonment of the game by Laverton Cricket Club officials.

The decision not to play was made approximately three hours before the commencement hour of 1.30 p.m.

The ground and wicket was definitely playable, so many players of both sides who had not been notified of the abandonment took the opportunity of practicing.

—OBSERVER.

President Berates Councillors

Werribee Shire President, Cr. A. Davis, berated councillors for their late arrival at the council meeting last Thursday.

The meeting was timed to start at 10.30 a.m. but it was 11.30 before there was a quorum of councillors. The meeting was opened but at 11.45 one councillor was called away and the meeting was adjourned pending the arrival of another councillor to form a quorum.

Meetings at Werribee rarely start on time and further delays have been caused by items on the agendas being discussed but held over waiting the arrival of a councillor who is interested in the matter. When he arrives it is again discussed.

Cr. Davis said councillors are elected to attend meetings. They are expected to attend and it is their duty to attend meetings. He considered their late arrival an insult to himself and a greater insult to ratepayers.

He trusts and hopes it will not occur again.

He also said in future, there will be no retracing of items on the agenda.

If a councillor is not in attendance to discuss a matter on the agenda it will be held over until the next meeting and this could cause unnecessary delay.

SCOUTS ATHLETIC SPORTS

The annual athletic sports meeting for Footscray, Williamstown, Altona and Werribee District Scouts will be held on Soldiers' Reserve, Werribee, next Saturday, October 19, at 2 p.m. sharp.

Scouts from Altona, Laverton and Werribee will be participating in the sports.

JAMBOREE OF THE AIR

Laverton Senior and Rover Scouts and 1st Altona Scouts and Seniors will participate in the Jamboree of the Air next weekend by operating station VK-3ARC at the RAAF Base, Laverton.

The idea of the jamboree of the air is for fraternisation of scouts by radio. Participation being confined mainly to the ham radio band, but some VHF radio transmissions take place.

This is a world wide operation in which scouts of over 70 countries participate with international headquarters of the radio boy scouts in Ottawa, Canada, operating their own transmitter on 30, 40 and 80 megacycle band.

This transmission is capable of going around the world and will be operating continuously for 48 hours from Saturday, October 19.

WERRIBEE AMATEUR CYCLING CLUB

Races conducted on Sunday, October 13, were the following—

Over 15 years, 12 miles handicap—

S. Hayes (8.00), 1; G. Stevenson (scr.), 2 and fastest time, 32.37; B. Boland (8.00), 3.

Under 15 years, 6 mile handicap—

G. Moyle (1.45), 1; G. Walsh (1.45), 2; R. Torney (0.50), 3; K. Palmer (scr.), fastest time, 18.55.

Cr. BELLIN RETURNS

Cr. J. Bellin was welcomed back by the Shire President, Cr. A. Davis, at the last meeting of Werribee Council.

Cr. Bellin has been unable to attend meetings since he was seriously injured in a car accident at the end of June.

Cr. Davis expressed the wish that from now on councillors would see Cr. Bellin for a period at each meeting and he hoped it would not be long before he could come along and suffer a whole meeting.

LAVERTON PROGRESS ASSOCIATION

Following requests from the Laverton Progress Association the Transport Board is considering extra pick up points for children boarding school buses in Laverton.

A particular request was provision of a stop in the Housing Commission area to prevent children crossing the railway line to the present pick up point.

If the head master of the Armstrong Street Primary School agrees with residents claims regarding shortage of class rooms for new students eligible for school next year, the Association will write to the Education Department requesting additional class-rooms be provided at the school.

They will also request the Recreation Reserves Committee to investigate the possibility of laying cricket pitches in the Housing Commission area, and will seek to have the reserves in this area re-graded.

SPORTING PERSONALITIES PAST AND PRESENT

No. 11—NOEL ROHLEDER, Altona
Footballer.
Slightly built and showing little sign of wear and tear for the number of years he has been playing football, Noel Rohleder has a record that most footballers would be proud of.

A win by Altona in the grand final of the Werribee League would have capped off a fine career for Rohleder, who has been captain of the team for the past three years.
Rohleder comes from a family who have been well-known in sporting circles, as his brother John played with Yarraville and for three seasons was captain of that team. Two other brothers complete the line-up as Kevin played for St. Kilda and Owen was a member of the Queensland Mid-West Rugby team which played against an English team on tour.

The football career of Noel commenced in 1948 when he was 14 years old he then played in the Melbourne Boys League. He joined Altona in 1949 and played in their B Grade team for two seasons in the Footscray District League and in his second season, Rohleder was runner-up to best and fairest in the League and was also judged the best and fairest for his team.

At the age of 16 Rohleder had his first taste of big time football as he was selected to play for South Melbourne against Carlton as a rover and half forward flanker. This selection placed Rohleder in a very select group, as at that time very few players had made league ranks at his age.

After one season with South Melbourne, Rohleder joined Yarraville and played for them from 1951 to 1958.

Whilst with Yarraville as a wingman, Rohleder played a total of 113 games, was the best and fairest player for the club in 1956 and also vice-captain the same year.

Rohleder returned to the Altona Club in 1959 and has played with them through to the end of 1963 in the roving and half forward positions. Awards have fallen in number to Rohleder in his five years with Altona and they are: Best and Fairest for Altona 1959, 61, 62, and runner up in 1960. Add to these awards the Best and Fairest in the Werribee League in 1962 and the Altona Star Award in 1959, 60, 61, 62 and 63, and it is easily seen that Rohleder has been a tower of strength to Al-

BOWLING CLUB NOTES

The three Altona teams recorded wins in the second round of pennant bowls on Saturday last.

Altona 100, defeated Preston 4, 90.
D. Watters, J. McNeilage, J. Fisher, A. Turner: 26-22, 26-22.
J. Whyte, A. Hill, I. Douglas, W. Monkhouse: 21-23.
A. Clarke, R. Don, T. McMahon, D. Cunningham: 27-25.
G. Russell, W. Walsh, J. Stephens, A. Malloy: 26-20.
Altona (2) 114, defeated Rosanna (2), 72.
H. Martin, D. Emery, T. Mitchell, R. Watson: 26-22.
W. Inglis, N. Richardson, C. McDonald, J. Flynn: 27-20.
W. Harrison, L. Cox, E. Jemmesos, E. Roach: 28-18.
J. Murphy, W. Probert, M. Neal, L. Smith: 32-12.

Altona (3) 85, defeated Moreland (5), 57.
L. Nettleton, A. Shaw, / Gischus, G. Bush: 33-15.
G. Snowden, L. Crofts, Douglas, W. Grant: 20-7.
J. Cox, C. Williams, T. Burke, M. Deegan: 32-19.
Steve Pilcher acted as a substitute for Moreland and played very well. Don Cunningham again donated trophies to the winning bankers' rink which was made up of Chas Marshall, Bill Thompson and Allan Gore (5).

Over 100 players enjoyed social bowls on Sunday. There were visitors from Footscray Park, ICI Deer Park, Elsternwick District and Geelong East. The winning rink comprised H. Woodward, A. Shaw, and F. Jewell (5) from Footscray Park.

SATURDAY'S ROUND
Next Saturday the first and third teams play away, their opponents are Footscray Park (3) and Footscray (6), respectively. The second team is at home to AP VRI (3).

KOORINGAL GOLF ASSOCIATES

Last Wednesday's Competition Stroke over 18 holes at Kooringal resulted in the following being the winners—
UNDER 45
Mrs. M. Rich (35), Net 72, on a count back from Mrs. R. Logan (36), 72 net.
OVER 45
Mrs. M. McCauliffe (25), 71 net.

Coaching is another position Rohleder has tackled as in 1961-62 he coached the Altona team.

Total games played by Rohleder is well over the 200 mark and the number of goals kicked by him is almost equal to the number of games he has played.

Further proof of Rohleder's sporting ability is borne out by his efforts as a member of the Altona Tennis Club, ber from 1950-56. During these years he was successful in winning the under 19 singles in 1951, followed up by taking the B Grade singles in 1953 and 1954, and in 1955 he was a successful partner in the mixed and men's doubles A Grade Club Championship.

Rohleder has compiled a record which is second to none and his pattern of fair play is one that could be followed with success by anyone trying to emulate his sporting efforts. — STAN CLEGHORN.

Werribee Objects to Concrete Houses

Without advising the Shire Council the Victorian Housing Commission is erecting concrete houses in Werribee, Cr. Powell reported to fellow councillors at their last meeting.

He said, "These houses are not nice, can't be made nice, and it is not fair to buyers of brick veneer houses in the vicinity."

Cr. Powell went on to say he heard no mention of concrete houses when Mr. Petty, Commissioner of Public Works, outlined the housing scheme for Market Road, Werribee. Twelve months ago the Commission decided to erect 50 weatherboard homes which the council stopped. Now the Commission is erecting concrete houses which have given a lot of trouble in other areas and which will give trouble in Werribee.

Residents had purchased brick veneer houses with a set idea of the area in which they would be living.

Cr. Powell moved that the matter be taken up immediately with the Housing Commission to prevent any further erection of concrete houses.

Cr. Hudson said during discussions with the Chairman of the Housing Commission he had been assured Werribee would be a brick area.

He considered the Commission co-operated with the council when they objected to the weatherboard houses. They have built all brick houses with some fibro cement sheet houses but he did not want to see the erection of the same unsatisfactory concrete houses as have been built at Laverton. He seconded Cr. Powell's motion.

Cr. Smith could only remember concrete houses being mentioned once in his hearing but he thought they had been dropped because of unsatisfactory reports from Ballarat and other places where they had been erected.

The council readily agreed to the motion and immediate steps will be undertaken by the Shire President, Cr. A. Davis, and the secretary, Mr. Minns, to prevent further erection of these concrete houses.

LAVERTON PROGRESS DART CLUB NEWS

Results of matches played on Friday, October 11, are as follows—

TEAM 1

Showing their best form so far this season Team 1 lost by the odd game to Union Carbide. Neville Jessup was our highest scorer with 96.

TEAM 2

Had a good win over Williamstown Hostel to take them into third place in Division 2. Jerry Monk top scored with 112. Bob Gordon threw 102 and Harry Morton 100.

TEAM 3

Team 3 took on Division 3 leaders on their home ground and came home with the match points. Tommy Atkins won his singles match in 10 darts. Arthur Leigh top scored with 117 and captain Arch Shelsey threw 100.

THIS WEEK'S GAMES

TEAM 1
Home to Seaholme. This match will be played tonight (Thurs., Oct. 17), so let's see a big crowd to encourage the new boys.

TEAM 2
Home to Altona Council—this match is set down as an away match but through a previous change of venues it is being played on the Laverton home ground.

TEAM 3
Home to Bristol Htel (2). Will all players ensure that they supply a plate at each home game.

The treasurer, Tommy Atkins, is holding tickets for the presentation dance to be held on Saturday, December 14, at St. Mary's Hall, Altona.

Price is £1 per head all inclusive and it is suggested you placed your order now and pay them off.

Last Saturday at the opening of the 1963-64 tennis season, three out of the four teams entered in the Werribee District Tennis Association won their games.

The grades entered consist of an A Reserve, B1, B2 and C Grade. The membership of the club is approximately 60, and any new members are welcome.

Every Sunday social tennis is played at the courts in Merton Street. Anyone who wishes to attend may do so.

Membership fees are £2 for adults and 15/- for school children.

1st LAVERTON AIR SCOUTS

Approx. 180 Scouters attended a bi-ennial Scouters conference at the Colac Show Grounds last weekend.

The subjects discussed were the recruiting of Scouters, education of the parent, parents co-operation and program planning for advancement training.

There were sight seeing tours conducted throughout the Colac area and the scouters visited butter factories, dairies and scenic reserves. A camp fire was held on the Saturday night. Two scouters and two senior scouters from Laverton group attended the conference and gained many new insights into the ways of scouting.

Mr. John Campbell, head quarters commissioner, gave opening speech at the conference and was supported by Mr. Woods, Hoadley County Commissioner.

A crazy whist card night will be held at the Scout Hall at 8 p.m. next Friday, October 18. Supper will be provided and everybody is welcome.

The annual fete for raising funds will be held in the Scout Hall on Saturday, November 9.

NEW MAIL DELIVERY

As from November 1 the PMG will give a house to house mail delivery to residents in Aviation, Cunningshams and a section of Robbs Road area in Werribee South.

Letters TO THE EDITOR

Dear Sir,

Reference is made to the behaviour of the school children whilst waiting for the school bus to transport them from Laverton to Altona.

The smaller children are in the habit of skylarking and playing games on the main street, without thought of the passing traffic, which, incidentally, is increasing every day. For the second consecutive day I witnessed a near accident, so I believe it's time to draw the attention of the public, parents, senior students and the school authorities to this frolicsome group.

I trust that this short note may be read, absorbed and the appropriate action be taken to avoid a fatality.

—MALE DRIVER.
(Name supplied.)

Dear Sir,

The scheduled match between Laverton 2 and Werribee 1 was not played due to the abandonment of the game by Laverton Cricket Club officials.

The decision not to play was made approximately three hours before the commencement hour of 1.30 p.m.

The ground and wicket was definitely playable, so many players of both sides who had not been notified of the abandonment took the opportunity of practicing.

—OBSERVER.

President Berates Councillors

Werribee Shire President, Cr. A. Davis, berated councillors for their late arrival at the council meeting last Thursday.

The meeting was timed to start at 10.30 a.m. but it was 11.30 before there was a quorum of councillors. The meeting was opened but at 11.45 one councillor was called away and the meeting was adjourned pending the arrival of another councillor to form a quorum.

Meetings at Werribee rarely start on time and further delays have been caused by items on the agendas being discussed but held over waiting the arrival of a councillor who is interested in the matter. When he arrives it is again discussed.

Cr. Davis said councillors are elected to attend meetings. They are expected to attend and it is their duty to attend meetings. He considered their late arrival an insult to himself and a greater insult to ratepayers.

He trusts and hopes it will not occur again.

He also said in future, there will be no retracing of items on the agenda.

If a councillor is not in attendance to discuss a matter on the agenda it will be held over until the next meeting and this could cause unnecessary delay.

SCOUTS ATHLETIC SPORTS

The annual athletic sports meeting for Footscray, Williamstown, Altona and Werribee District Scouts will be held on Soldiers' Reserve, Werribee, next Saturday, October 19, at 2 p.m. sharp.

Scouts from Altona, Laverton and Werribee will be participating in the sports.

JAMBOREE OF THE AIR

Laverton Senior and Rover Scouts and 1st Altona Scouts and Seniors will participate in the Jamboree of the Air next weekend by operating station VK-3ARC at the RAAF Base, Laverton.

The idea of the jamboree of the air is for fraternisation of scouts by radio. Participation being confined mainly to the ham radio band, but some VHF radio transmissions take place.

This is a world wide operation in which scouts of over 70 countries participate with international headquarters of the radio boy scouts in Ottawa, Canada, operating their own transmitter on 30-40 and 80 megacycle band.

This transmission is capable of going around the world and will be operating continuously for 48 hours from Saturday, October 19.

WERRIBEE AMATEUR CYCLING CLUB

Races conducted on Sunday, October 13, were the following—

Over 15 years, 12 miles handicap—

S. Hayes (8.00), 1; G. Stevenson (scr.), 2 and fastest time, 32.37; B. Boland (8.00), 3.

Under 15 years, 6 mile handicap—

G. Moyle (1.45), 1; G. Walsh (1.45), 2; R. Torney (0.50), 3; K. Palmer (scr.), fastest time, 18.55.

Cr. BELLIN RETURNS

Cr. J. Bellin was welcomed back by the Shire President, Cr. A. Davis, at the last meeting of Werribee Council.

Cr. Bellin has been unable to attend meetings since he was seriously injured in a car accident at the end of June.

Cr. Davis expressed the wish that from now on councillors would see Cr. Bellin for a period at each meeting and he hoped it would not be long before he could come along and suffer a whole meeting.

LAVERTON PROGRESS ASSOCIATION

Following requests from the Laverton Progress Association the Transport Board is considering extra pick up points for children boarding school buses in Laverton.

A particular request was provision of a stop in the Housing Commission area to prevent children crossing the railway line to the present pick up point.

If the head master of the Armstrong Street Primary School agrees with residents claims regarding shortage of class rooms for new students eligible for school next year, the Association will write to the Education Department requesting additional class-rooms be provided at the school.

They will also request the Recreation Reserves Committee to investigate the possibility of laying cricket pitches in the Housing Commission area, and will seek to have the reserves in this area re-graded.

SPORTING PERSONALITIES
PAST AND PRESENT

No. 11—NOEL ROHLEDER, Altona
Footballer.
Slightly built and showing little sign of wear and tear for the number of years he has been playing football, Noel Rohleder has a record that most footballers would be proud of.

A win by Altona in the grand final of the Werribee League would have capped off a fine career for Rohleder, who has been captain of the team for the past three years.

Rohleder comes from a family who have been well-known in sporting circles, as his brother John played with Yarraville and for three seasons was captain of that team. Two other brothers complete the line-up as Kevin played for St. Kilda and Owen was a member of the Queensland Mid-West Rugby team, which played against an English team on tour.

The football career of Noel commenced in 1948 when he was 14 years old he then played in the Melbourne Boys League. He joined Altona in 1949 and played in their B Grade team for two seasons in the Footscray District League and in his second season, Rohleder was runner-up to best and fairest in the League and was also judged the best and fairest for his team.

At the age of 16 Rohleder had his first taste of big time football as he was selected to play for South Melbourne against Carlton as a rover, and half forward flanker. This selection placed Rohleder in a very select group, as at that time very few players had made league ranks at his age.

After one season with South Melbourne, Rohleder joined Yarraville and played for them from 1951 to 1958. Whilst with Yarraville as a wingman, Rohleder played a total of 113 games, was the best and fairest player for the club in 1956 and also vice-captain the same year.

Rohleder returned to the Altona Club in 1959 and has played with them through to the end of 1963 in the roving and half forward positions. Awards have fallen in number to Rohleder in his five years with Altona and they are: Best and Fairest for Altona 1959, 61, 62, and runner up in 1960. Add to these awards the Best and Fairest in the Werribee League in 1962 and the Altona Star Award in 1959, 60, 61, 62 and 63, and it is easily seen that Rohleder has been a tower of strength to Al-

BOWLING CLUB NOTES
The three Altona teams recorded wins in the second round of pennant bowls on Saturday last. Altona 100, defeated Preston 4, 90.

G. Russell, W. Walsh, J. Stephens, A. Malloy: 26-20.
Altona (2) 114, defeated Rosanna (2), 72.
H. Martin, D. Emery, T. Mitchell, R. Watson: 26-22.
W. Inglis, N. Richardson, C. McDonald, J. Flynn: 27-20.
W. Harrison, L. Cox, E. Jemmesos, E. Roach: 28-18.
J. Murphy, W. Probert, M. Neal, L. Smith: 32-12.
Altona (3) 85, defeated Moreland (5), 57.
L. Nettleton, A. Shaw, A. Gischus, G. Bush: 33-15.
G. Snowden, L. Crofts, Douglas, W. Grant: 20-23.
J. Cox, C. Williams, T. Burke, M. Deegan: 32-19.
Steve Pilcher acted as a substitute for Moreland and played very well. Don Cunningham again donated trophies to the winning bankers' rink which was made up of Chas Marshall, Bill Thompson and Allan Gore (s).

Over 100 players enjoyed social bowls on Sunday. There were visitors from Footscray Park, ICI Deer Park, Elsternwick District and Geelong East. The winning rink comprised H. Woodward, A. Shaw, and F. Jewell (s) from Footscray Park.

SATURDAY'S ROUND
Next Saturday the first and third teams play away, their opponents are Footscray Park (3) and Footscray (6), respectively. The second team is at home to AP VRI (3).

KOORINGAL GOLF ASSOCIATES
Last Wednesday's Competition Stroke over 18 holes at Kooringal resulted in the following being the winners—
UNDER 45
Mrs. M. Rich (35), Net 72, on a count back from Mrs. R. Logan (36), 72 net.
OVER 45
Mrs. M. McCauliffe (25), 71 net.

Coaching is another position Rohleder has tackled as in 1961-62 he coached the Altona team. Total games played by Rohleder is well over the 200 mark and the number of goals kicked by him is almost equal to the number of games he has played.

Further proof of Rohleder's sporting ability is borne out by his efforts as a member of the Altona Tennis Club, ber from 1950-56. During these years he was successful in winning the under 19 singles in 1951, followed up by taking the B Grade singles in 1953 and 1954, and in 1955 he was a successful partner in the mixed and men's doubles A Grade Club Championship.

Rohleder has compiled a record which is second to none and his pattern of fair play is one that could be followed with success by anyone trying to emulate his sporting efforts. — STAN CLEGHORN.

YACHTING NOTES

This year will be of particular note because it will mark not only 10 years since formation of the Altona Yacht Club, but also the club house will be officially opened on December 1. It is expected that a number of clubs from around the bay will attend the opening and take part in the racing to be held.

The club house, which measures 60 ft. x 30 ft., was completed to a useable state about November, 1962. It is built of brick and has a solid concrete floor. The Altona Council generously assisted in financing the project and club members supplied most of the labour. The building contains a large kitchen, change rooms for both ladies and gents and at present 20 yachts are accommodated in the remaining area.

An elevated judge and starter's box combined with a spectator's platform is at present under construction, and should be ready for use on opening day.

Interest in yachting in Altona has increased to the extent that the number of yachts in the club has trebled during the past two years.

Three classes of yachts have now been adopted by the Altona Yacht Club for which races are held each Saturday afternoon throughout the season. A brief description of each class will show that the club has endeavoured to provide sailing for all age groups and also obtain better sailing by encouraging class racing.

HORNET CLASS

This is the senior class and when sailed correctly is, very fast and is an extremely good sea boat. It measures 16 ft. in length with a little under 5 ft. beam. The hard-chined planing hull is made from 5/16th bondwood and decking is of 3/16th bondwood. Sail area is 120 sq. ft. in the mainsail and jib and in addition a spinnaker containing about 80 sq. ft. is carried down wind. The crew consists of two if a sliding seat or trapeze is used, otherwise three.

The Hornet can be built by an amateur carpenter for approximately £150 to £175—this includes terylene sails.

Compulsory buoyancy which is built into the boat makes it unsinkable in the event of a capsize.

Fast and lively, the Hornet provides exciting sailing yet is suitable for cruising with in the bay.

MOTH CLASS

This one man yacht is very popular, on Port Phillip Bay and has taken on very well at Altona, especially with the junior and lady members.

It has a maximum length of 11 ft. with an average beam of 4 ft. The cat rig (i.e. only one sail) carries 78 sq. ft. The planing bondwood hull is completely bulk-headed against the water. Approximate price for a good second hand Moth is £95 to £100.

These small, lively yachts are exciting to race and are very fast off the wind.

HERON CLASS

Designed as a training and family man's yacht, this versatile 11 ft. by 4 ft. 6 in. dinghy is rapidly gaining favour throughout Australia.

Being of bondwood construction it can be readily built by the home carpenter for about £85 to £90—including terylene sails. In addition it can be bought in various stages of completion up to approximately £175.

As a rule it is sailed by a junior or beginner under the guidance of a more experienced yachtsman.

A capable little yacht well suited to racing and to use as a trainer the Heron also lends itself to use as a small fishing craft when a small outboard motor is added.

Let's have a look and see what changes there have been to the various fleets during the winter.

Firstly, in the Moth Class we find that Sandra Korf, Elizabeth Pirie and Ray Marion have all purchased boats. Mr. Roy Windsor, of West Footscray, has given a Moth to the club in memory of his elder son.

Jack Bradley has done an excellent job preparing it for the water.

Bill Korf is well under way with his Heron and should be ready to launch it early in December. Clem Blunt also has a Heron under construction at the present time and this will be ready for sailing later on in the season.

Much has gone on in the Hornet Class, too. Peter Jol and Alex Robertson have both completely re-decked their boats, whilst alterations and additions to decking arrangements have been carried out by Alan Tyrell and also Keith Wallwork.

Meanwhile Tom Jones and Alan Owen have both purchased new suits of sails from Roly Tasker in Western Australia. In addition Ted Phillips and Les Laker have embarked on a joint venture to build a new Hornet, which they plan to race next season.

Members should note that the October general meeting will be held in the club rooms on Friday, October 25.

Intending members are also invited to attend this meeting which will be the last meeting prior to the commencement of racing, which begins on November 2.

TENNIS TEAMS FOR SATURDAY

A Grade and A Reserve
1 both had convincing wins against Yarraville and AGM respectively. A Reserve 2 and B Special went down narrowly to Yarraville, two teams.

This is accounted for once again by unsettled teams.

Mrs. J. Neale had a top score of 23 to win the ladies day trophy last Tuesday.

All monies and sheets for the Melbourne Cup effort are to be returned by October 26. Teams for Saturday are as follows—

A Grade v. Esplanade at Altona—

Graham, Brophy, Law. Emergency: Trickey, Parkinson, Findlay, Johnston. Emergency: Harrington.

ALTONA A.N.A. CRICKET CLUB

The second day of the match against Williams-town Imps. was washed out, with Altona in a winning position.

History repeated itself last Saturday as in the opening match last season Altona were playing the same team and were in a winning position at the end of the first day and rain cancelled play for the second day.

At the end of the first day's play Williamstown Imperials were all out for 126 and Altona A.N.A. were 3/34.

B TURF

Altona resumed its second innings at 5/4 and showed improved form by making 51.

Tom Myers top scored with a very good 24 and Ray Curwood took the bowling honors with 3/20.

New 3 bedroom BV home. £2900. Transferable loan. Full price £4500 on £1200 deposit.**ALTONA CRICKET CLUB NEWS**

Altona A Team resumed the match against CYMS at the Fearon Reserve on Saturday, needing quick wickets to secure an outright win.

Unfortunately due to some good batting and several errors in the field CYMS were able to run up the good score of 8/114 declared, leaving Altona 60 runs to get in 45 minutes.

This task proved to be impossible and although all batsmen went for runs, wickets were falling too quickly to allow this risky cricket to continue and Alan Stafford and Graeme Hoskin played out time for Altona to finish at 6/23.

Joe Mildenhall was the most successful bowler for Altona taking 7 for 39.

B GRADE

Altona B Team were unable to complete their match due to the inclement weather affecting the wicket.

On Saturday A turf are at home to Newport Footballers and B turf are away to Newport Baseballers.
